No. 12(10)/2016-EDI

**Proposal for Conduct of Independent Evaluation of Credit Guarantee
Fund Scheme for Micro & Small Enterprises:
Selection of Agency**

November, 2016

Evaluation of Plan Scheme- Credit Guarantee Fund Scheme for Micro & Small Enterprises

1. PURPOSE / INTENT

The purpose / intent of the Proposal is for selection of Agency for undertaking independent evaluation of Plan Scheme- 'Credit Guarantee Fund Scheme for Micro & Small Enterprises' to assess the impact of outcomes achieved by the above named scheme in a comprehensive manner.

2.1 Background:

The Credit Guarantee Scheme (CGS) was launched in August, 2000 with the objective of making available credit to Small Scale Industrial (SSI) units (presently called 'Micro and Small Enterprises') initially for loans up to Rs. 25 lakh without collateral/ third party guarantees. As per the "Package for promotion of Micro and Small Enterprises" announced in the Parliament in 2007, the eligible loan limit under the Credit Guarantee Scheme was enhanced to Rs.50 lakh in July,2007. Further, in line with 'Economic Stimulus Package' announced by GoI on December 07, 2008, it was decided to increase the coverage of the eligible credit limit per borrower under the CGS from Rs.50 lakh to Rs.100 lakh. The scheme is being operated by CGTMSE. The scheme at present covers collateral free credit facility (term loan/ or working capital) to new and existing enterprises in the manufacturing and services sector.

Currently, the Credit Guarantee Fund Scheme for Micro and Small enterprises covers collateral free credit facility (term loan and/ or working capital) extended by eligible lending institutions to new and existing micro and small enterprises up to Rs. 100 lakh per borrowing unit. The guarantee cover is provided up to 75% of the credit facility up to Rs.50 lakh (85% for loans up to Rs. 5 lakh provided to micro enterprises, 80% for MSEs owned/ operated by women and all loans to NER) with a uniform guarantee at 50% of the credit exposure above Rs.50 lakh and up to Rs.100 lakh. A composite all-in Annual Guarantee Fee of 1.0 % p.a. of the credit facility sanctioned (0.75% for credit facility upto Rs. 5

lakh and 0.85% for above Rs. 5 lakh and upto 100 lakh for Women, Micro Enterprises and units in NER including Sikkim) is now being charged.

The Credit Guarantee Scheme is operated by CGTMSE. The Management of CGTMSE is by the Board of Trustees (BoT) of CGTMSE comprising the Chairman & Managing Director of SIDBI as Ex-officio Chairman, Additional Secretary & Development Commissioner, M/o MSME as Ex-officio Vice-Chairman, Chairman, Indian Banks' Association (IBA) as Ex-officio Member and Chief Executive Officer, CGTMSE as Member Secretary.

At present, 129 eligible institutions comprising 27 Public Sector Banks, 20 Private Sector Banks, 69 Regional Rural Banks (RRBs), 4 Foreign Banks and 9 other institutions have become Member Lending Institutions (MLIs) of CGTMSE for participating under CGS.

2.2 Objective of the Scheme:

The objective of the scheme is to ensure better flow of credit to Micro and Small Enterprises by minimizing the risk perception of banks/financial institutions in lending up to Rs. 100 lakh without collateral/third party guarantees. First generation entrepreneurs in the Micro and Small Enterprises (MSE) sector find it difficult to access credit from the organized banking sector. The banks on their part are concerned about the likely defaults in small loans and hence try to collateralize their exposure to the small borrowers. Keeping this in mind, it was thought fit to create the instrument of Credit Guarantee to enhance the comfort level of the banks for financing loans, as well as a new gateway for MSE entrepreneurs to get funding without collateral security and /or third party guarantee.
