GUIDELINES of Information, Education and Communication (IEC) Scheme, a sub-component of Development of MSMEs (Entrepreneurship and Skill Development Programme)

BACKGROUND

1. The Micro, Small and Medium Enterprises (MSMEs) sector is highly vibrant and dynamic branch of the Indian economy. MSMEs not only play crucial role in providing large employment opportunities at comparatively lower capital cost than large industries but also help in industrialization of rural & backward areas, thereby reducing regional imbalances, assuring more equitable distribution of national income and wealth. MSMEs are complementary to large industries as ancillary units and contribute enormously to the socio-economic development of the country.

2. The Ministry of Micro, Small and Medium Enterprises (M/o MSME) is mandated to promote micro, small and medium enterprises in the country with the objective of creating self-employment opportunities and upgrading the relevant skills of existing and potential entrepreneurs, with this endeavor, the Ministry is implementing a number of schemes.

3. In order to give wide publicity to the Schemes implemented by the Ministry of MSME, it is necessary to adopt a multi-pronged approach and have a well-planned information, education and communication (IEC) campaign. With this objective, IEC Scheme has been formulated, which will be implemented/administered by Media Cell of Ministry of MSME.

4. Objectives

The objective of the scheme is to give wide publicity to the various schemes being run by the Ministry with the aim of providing financial assistance, technological assistance and upgradation, infrastructure development, skill development and training and market assistance to MSMEs, etc. The IEC campaign will:-
